Dear Mr. Johnson,

Mrs Anna Ching would like to request information on the Pasco Landfill Site. I am forwarding you her request and contact information. Anna Ching (anna.ching@gmail.com)

Hello! I am conducting research on the Pasco Sanitary Landfill site and was wondering whether you could provide me with any pertinent reports or documentation.

In particular, I am especially interested in the Remedial Investigation Report that EPA conducted in 1999. I would also be interested in obtaining any recent reports or documents pertaining to this site.

I would strongly prefer an electronic document regarding site contamination - an RI, BERA, or BHHRA would be great! Please let me know as to how I can obtain a copy of these reports.

Anna
